

8th Edition of Nanotechnology, Nanomedicine and Material science Expo Hybrid Conference

October 6-8, 2025, USA

Invitation

Linkin Science welcomes you all to participate at our 8th Edition of Nanotechnology, Nanomedicine and Material Science Expo Hybrid Conference (Onsite and Online) to be held during October 6-8, 2025, in USA.

Nanotechnology and Material Science are rapidly expanding by playing a prominent role in many fields. This Conference is a platform to Industry, Academia, Researchers, Innovators, Product Exhibitors, Business delegates & Regulators to come together to discuss the research activities, advancements and ideas on current topics in Advanced Nanomaterials, Nano biosensors, Nanobiotechnology, Nanomedicine, Nanotechnology for Energy and Environment, Nanoelectronics and nanophononics, Advancements in Materials Science, Biomaterials, Tissue Engineering, Mining & Metallurgy.

We anticipate attendance at the 8th Edition of Nanotechnology, Nanomedicine & Material Science will catalyze ideas and enhance new interdisciplinary collaborations. Our exciting scientific program will be presented over the course of threedays in various session types – Keynote Presentations, Oral sessions, Young research forum, symposia, Poster sessions, Exhibitions and workshops.

Regards
Scientific Committee

<https://globalnanoscienceconference.com/home>

Conference Sessions

- Advanced Nanomaterials - Synthesis, Fabrication, Processing and Characterization
- Nanomedicine & Nanobiotechnology
- Nanotechnology For Energy and Environment
- NanoBiosensors
- Graphene and its potential applications
- Nanoelectronics and Nanophotonics
- Nanotechnology in Agriculture, Food Industry and Water Treatment
- Bio-Nanomaterials and Biomedical devices, applications
- Nanoparticles and Nanocomposites
- Nanoengineered devices
- Nanotechnology in Drug delivery
- Microtechnology and Nanorobotics
- Nanotoxicology and Nanopharmaceutics
- Materials Science-Fundamentals & Characterization
- Mining and Metallurgy
- Materials-Environment Interactions, Green Energy
- Advancements in Materials Science
- Biomaterials and Tissue Engineering
- Biophotonics

Conference Highlights

- Global Excellence Awards
- Best Poster Awards
- Opportunity for Workshops/ Symposiums
- Young Research Forum (YRF)
- Great opportunity for Scientific Networking
- Opportunity to become a Sponsor/ Exhibition of various Nanotechnology Products

About Conference

Hybrid Conference This kind of event allows participants to join as per their convenience and choice of participation. It can be either onsite or Virtual; we ensure you have a wonderful learning experience at our events.

In-Person Attendance Participants will be able to follow the physical sessions at the meeting halls. All the necessary precautions are taken at the event venue along with social distancing, sanitization and wearing a mask is mandatory.

Virtual Attendance Participants will be able to access the virtual content with the login information that will be sent to the e-mail address they have registered, and only one user will be allowed to participate in the online sessions with one device at the same time. After logging into the system, the participants will be able to navigate through the main live sessions, posters, and oral abstract presentation sessions, and the exhibition hall.

Exhibition Virtual participants will be able to enter the virtual exhibition area and contact exhibiting companies by clicking on the name / logo of them. There will also be a physical exhibition area for the in-person participants.

Oral Presentation Sessions Oral presentation sessions will be held in different halls based on the category that they were submitted to, the authors will present their works in the specified hall live within the specified time. The authors will also be able to make a virtual presentation if they cannot attend in-person.

Poster Presentation Sessions Poster Presentations will be made in a PDF format accompanied by a video of a maximum of 10 minutes of the poster presenter. Attendees will have the opportunity to ask questions to the authors directly. The authors will also be able to make a virtual presentation if they cannot attend in-person.

Types of Registrations Linkin Science offers different modes of registration options to work within your busy schedule according to the participant's interest. We offer registrations for Speakers, Poster Presentations, Students, Virtual presenters, Business delegates, Accompanying persons, Sponsors and Exhibitors.

Global Excellence Awards

Participants desiring to be considered for one of these awards need to specify their interest after their submission of the required abstract. Selected participants will receive felicitations certificates under three categories.

1. Outstanding Abstract
2. Best Research of the conference
3. Young Researcher Award
4. Best Poster Presentation

Selected participants will receive up to \$2500 (USD) scholarship.

A decision will be made based on evaluation of the submitted abstracts by the Scientific Committee. We want you to grab this opportunity and participate in the conference...!

We want you to grab this opportunity to excel in your research and presentation skills.

Previous Editions

Linkin Science is thankful to all our wonderful Speakers, Conference Attendees, Students, Media Partners, Associations, and Exhibitors for making all the series of Nanotechnology, Nanomedicine & Material Science Conference the best ever event!

- **1st Global Summit on Nanotechnology & Material science**, hosted by Linkin Science was held from December 04 to 06, 2017 at **Grand Excelsior Hotel in Dubai**.
- **2nd Nanotechnology & Material Science conference**, which was held at **Hotel Mercure Roma West at Rome in Italy** from August 27 to 28, 2018, based on the theme “Propelling New Technologies by Integrating Nanoscience and Material Structures”.
- **3rd Global Summit on Nanotechnology, Nanomedicine & Material Science** based on the theme “New Advances and trending applications in the field of Nanotechnology and Nanomedicine” was held in **Barcelona, Spain at Salles Hotel Ciutat Del Prat** from September 18 to 20, 2019.
- **4th Global Summit on Nanotechnology, Nanomedicine and Smart Materials** conference is a Virtual On-line Conference which was held on September 24, 2020.

There were remarkable presentations from international speakers and the awards for the summit are as follows;

Best research: Radhamanohar Aepuru, Universidad Tecnologica Metropolitana, Chile.

Session: Structure-Property Correlations of Nanocomposites Based Perovskites with Superior Electro-Optic Sensitivity.

The support and guidance from Scientific Committee Members, amazing presentations from all the participants, and spectacular zeal of all the Scientists, Researchers, Students and leaders from various fields of Nanotechnology and Material Science made these events a grand success.

- **5th Global summit on Nanotechnology Nanomedicine and Material Science Hybrid Conference 2022:**
which was held on October 06-07, 2022.

There were remarkable presentations from International speakers and the awards for the summit are as follows;

Best Research: Monica Mir, University of Barcelona, Spain

Session: Sensors integrated in organ on chip platforms

Best Abstract: Kyaparisipapadopoulos Aristotle University of Thessaloniki (AUTH) Greece

Session: Study of a new anthracene-based polymer: from thin film characterization to fabrication of flexible yellow OLED devices

Young Research Award: Marcela Aparecida Cândido, Vale do Paraíba University, Brazil.

Session: Theranostic characterization of breast cancer treated with nanoprobe, and thermal ablation therapy

Best Poster: Yi Wang, King's College London.

Session: Synthesis and analysis of InP-based core/shell quantum dots using phosphinecarboxamide as a novel phosphide precursor

- **6th Global summit on Nanotechnology Nanomedicine and Material Science Expo & Hybrid Conference 2023:**
which was held on October 02-04, 2023.

There were remarkable presentations from International speakers and the awards for the summit are as follows;

Best Speaker: Vandita Kakkar, University of Panjab, India

Session: Evaluation of Tetrahydrocurcumin-Loaded Lipidic Nanoparticles Incorporated within Tacrolimus Ointment: In Vitro and In Vivo Assessment.

- **7th Global summit on Nanotechnology Nanomedicine and Material Science Expo & Hybrid Conference 2024:** which was held on October 08-10, 2024.

There were remarkable presentations from international speakers and the awards for the summit are as follows.

Best Abstract award: Eng-Poh Ng, Universiti Sains, Malaysia

Session: Hierarchical mordenite zeolite prepared using soft- templating synthesis for cyclic acetals production via acetylation of glycerol and benzaldehyde

Best Research: Monica Mir, University of Barcelona, Spain

Session: Electrochemical implantable sensors for in situ monitoring inside the body

The support and guidance from Scientific Committee Members, amazing presentations from all the participants, and spectacular zeal of all the Scientists, Researchers, Students and leaders from various fields of Nanotechnology and Material Science made these events a grand success.

Sponsorship & Exposure

Nanotechnology 2025 offers a wide range of sponsorship opportunities to increase the visibility of your brand beyond the exhibit hall.

1. PLATINUM (\$5000)

- An opportunity to sponsor 3 Poster Presentation Awards
- An Opportunity to talk in the 20 min session, which is excellent marketing exposure.
- Three corporate sponsored workshop slots (audio visual included)
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size - 3×3 sqm)
- Five complimentary registrations
- The company / organization logo will be featured on the Conference website, program and promotional material.
- Corporate logo on the front cover of the final proceedings
- Full page advert inside the conference book
- Logo recognition in pre-conference emails
- Three inserts provided by the sponsor in the congress delegate bags.
- One post congress e-mail message to consented congress registrants up to 60 days after the congress (content to be provided by the sponsor)
- An exclusive online Promotion on all our Social Networking Sites
- Priority to purchase additional sponsorship items 30% Waiver on Sponsorship for any of our next year Conferences

2. GOLD (\$3000)

- An opportunity to sponsor 2 Poster Presentation Awards
- Two corporate sponsored workshop slot (audio visual included)
- Two complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3×3 sqm)
- Three complimentary congress registrations
- The company / organization logo will be featured on the Conference website, program and promotional material
- Corporate logo on the front cover of the final proceedings

- Full page advert inside the conference book
- Two inserts provided by the sponsor in the congress delegate bags
- An exclusive online Promotion on all our Social Networking Sites
- Priority to purchase additional sponsorship items.
- 25% Waiver on Sponsorship for any of our next year Conferences

3. SILVER (\$2500)

- An opportunity to sponsor 1 Poster Presentation Awards
- Two complimentary conference registrations
- One corporate sponsored workshop slot (audio visual included)
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3×3 sqm)
- The company / organization logo will be featured on the Conference website, program and promotional material
- Corporate logo on the front cover of the final proceedings
- One insert provided by the sponsor in the congress delegate bags
- Priority to purchase additional sponsorship items
- An exclusive online Promotion on all our Social Networking Sites
- 20% Waiver on Sponsorship for any of our next year Conferences

4. EXHIBITOR (\$1500)

- An opportunity to sponsor 1 poster presentation award
- One complimentary congress registration
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3×3 sqm)
- The company / organization logo will be featured on the Conference website, program and promotional material
- One insert provided by the Exhibitor in the congress delegate bags
- An exclusive online Promotion on all our Social Networking Sites
- Recognition of your products and services in the world market through our website
- Develop new client relationships and strengthen through B2B Meeting
- Brand briefing at the opening and closing ceremonies
- 10% Waiver on Sponsorship for any of our next year Conference

Sponsor any session or activity.

Level of Sponsorship	Platinum	Gold	Silver	Exhibitor
Complimentary event registration	Yes	Yes	Yes	Yes
Poster Sponsorship Awards	Yes	Yes	Yes	Yes
Corporate Sponsored Workshop slots	Yes	Yes	Yes	--
Exhibitor Booths	Yes	Yes	Yes	Yes
Logo recognition on meeting material	Yes	Yes	Yes	Yes
Logo printer on conference banner	Yes	Yes	Yes	Yes
Direct link to company homepage	Yes	Yes	Yes	Yes
Acknowledgement in inaugural address	Yes	Yes	Yes	Yes
Advertisement on printed final program	Yes	Yes	Yes	Yes
Opportunity to deliver a talk	Yes	Yes	Yes	Yes
One exhibition booth/table	3 Sqmt	3 Sqmt	3 Sqmt	3 Sqmt
Sponsor representative to serve as a SCM	Yes	Yes	Yes	--
Full page advertisement in the abstract book	Yes	Yes	Yes	Yes
Post message on the closed alumni linkedIn page	Yes	Yes	Yes	Yes
Lunch Sponsor	Yes	Yes	--	--
Tea/Coffee break sponsor	Yes	Yes	--	--

Exhibition slot/Booth

Why Nanotechnology, Nanomedicine and Material science 2025?

The opportunity to exhibit is an integral part of the Event and the exhibition area will be a major hub of activities. Exhibiting gives you an edge the Passing trade of potential and qualified customers that walk past your stand will be highly significant. We have designed the exhibition layout to ensure the highest level of exposure to delegates at Nanotechnology, Nanomedicine and Material science 2025.

Nanotechnology, Nanomedicine and Material science 2025 will be a successful Congress for Exhibitors?

- The size of the Exhibition Hall will allow us to combine the exhibition with Congress-supported catering services during coffee breaks and lunch time attracting delegates to the Exhibition Hall.
- Coffee breaks and lunches will be in the exhibition hall and well positioned within the exhibition space
- We will offer opportunities for exhibitors wishing to join the Scientific sessions to do so without additional charges
